## ONCE YOU CHECK OUT PITCH VILLAGE WILL...

- REUSE YOUR TENT  
(they might not be for life, but they are not just for a weekend!)
- REDUCE THE NUMBER OF LEFTOVER TENTS AT EACH FESTIVAL  
(our 1-for-1 scheme means we remove one waste tent, for every tent we pitch)
- RECYCLE OR DONATE TENTS AT THE END OF THEIR VILLAGE LIFE  
(either making old tents into new products, or donating them directly to great causes worldwide)
